

Explaination of Task-3

Your webpage is divided into **two main parts**:

1. Top Section – Dashboard Cards

This section shows **three feature boxes**:

Users Card

- Shows an icon of users
- Title: "Users"
- Small description: "Manage all registered users"
- A button for viewing user details

Reports Card

- Shows a reports icon
- Title: "Reports"
- Description: "View system performance reports"
- A button to view reports

Analytics Card

- Shows an analytics or graph icon
- Title: "Analytics"
- Description: "Track real-time analytics data"
- A button to view analytics

How cards look and behave:

- They appear like small white boxes
 - Have rounded corners
 - Have a shadow like they are popping up
 - When you move the mouse over a card, it slightly grows in size
-

Page Design Details

Overall background

- Light grey color
- Clean and simple look

Headings

- Black color
- Centered main heading at the top: **Dashboard Overview**

Cards Arrangement

- All three cards are placed in one row
 - If the screen is small, they automatically move to the next line
 - They stay centered
-

2. Bottom Section – User Records Table

This is a table showing user details.

The table has the following columns:

1. **ID**
2. **Name**
3. **Email**
4. **Role** (Admin, Team Leader, Employee etc.)
5. **Status** (Active / Inactive)

What the table looks like:

- It is inside a white box with rounded corners
- Has a shadow around it
- The table header (top row) has a dark background with white text
- Every second row has a slightly different background color (zebra pattern)

- When you move your mouse over any row, it gets highlighted in a light blue color
- If the screen is small, you can scroll horizontally because the table is flexible

Sample entries in the table:

- Mahesh Shingare – Admin – Active
- Siddhi Phase – Team Leader – Active
- Vaishnavi Chaudhari – Manager – Inactive
- Mayuri Gaikwad – Employee – Active
- Chaitanya Singare – Employee – Active

Screenshot of a web browser showing a dashboard overview page. The page has a header with tabs like 'Meet - wfp-gbat-xtd' and 'Dashboard Overview'. Below the header is a navigation bar with icons for back, forward, search, and file operations.

The main content area features a title 'Dashboard Overview' and three cards:

- Users**: Manage all registered users. Includes a user icon and a 'View Details' button.
- Reports**: View system performance reports. Includes a magnifying glass icon and a 'View Details' button.
- Analytics**: Track real-time analytics data. Includes a chart icon and a 'View Details' button.

Below these cards is a section titled 'User Records' containing a table:

ID	Name	Email	Role	Status
01	Mahesh Shingare	mahesh@gmail.com	Admin	Active
02	Siddhi Phase	siddhi@gmail.com	Team leader	Active
03	Vaishnavi Chaudhari	vaishu@gmail.com	Manager	Inactive
04	Mayuri Gaikwad	mayuri@gmail.com	Employee	Active
05	Chaitanya Singare	chaitanya@gmail.com	Employee	Active

A message at the bottom of the table says 'meet.google.com is sharing your screen.' with buttons for 'Stop sharing' and 'Hide'.
